OTCQX: SHWZ

Acquisition Increases Schwazze's New Mexico Retail Store Count to 32 and Provides Expanded Coverage Throughout State

DENVER, June 5, 2023 /CNW/ - Medicine Man Technologies, Inc., operating as **Schwazze**, (OTCQX: SHWZ) (NEO: SHWZ) ("**Schwazze**" or the "**Company**"), announced it has acquired certain assets of Sucellus, LLC, pursuant to which the Company will manage Everest Apothecary, Inc. ("**Everest**"), a New Mexico not-for-profit corporation. The transaction includes retail dispensaries, cultivation, and manufacturing facilities.

The acquisition of Everest increases the Company's retail consumer base and furthers Schwazze's growth strategy in the New Mexico market. Upon closing, Schwazze's New Mexico operations will include 32 dispensaries, four cultivations, two manufacturing facilities and over 400 employees statewide.

The Everest brand complements Schwazze's existing retail brand in New Mexico, R. Greenleaf. Each serves a unique demographic, and both retail banners will continue to operate in the state.

"This acquisition fits well within our growing portfolio of retail brands alongside R.Greenleaf, and firmly positions us as a top operator in the New Mexico market," said Nirup Krishnamurthy, President of Schwazze.

"Collaborating on Schwazze's operating playbook, we look forward to working with the Everest team members to continue to support the Everest customers with outstanding service and an even wider selection of quality products throughout the entire state. These really are two great teams coming together as one," said Ken Diehl, New Mexico Division President of Schwazze.

Established in 2016, Everest is a New-Mexico-based licensed medical and recreational cannabis provider that consists of 14 dispensaries, one cultivation facility and one manufacturing plant. The dispensaries are in Albuquerque, Santa Fe, Las Cruces, Los Lunas, Sunland Park, Belen, and Texico. Everest's cultivation and manufacturing facilities are both located in Albuquerque.

Since April 2020, Schwazze has acquired, opened, or announced the planned acquisition of 60 cannabis retail dispensaries (bannered as Star Buds, Emerald Fields, R. Greenleaf, Standing Akimbo, and Everest) as well as six operating cultivation facilities and three manufacturing plants across Colorado and New Mexico. In May 2021, Schwazze announced its Biosciences division, and in August 2021, it commenced home delivery services in Colorado.
