

## Schwazze Announces Preliminary Third Quarter 2024 Financial Results

November 7, 2024

### Optimization Initiatives Lead to Quarter-over-Quarter Improvements in Profitability and Positive Cash Flow from Operations

DENVER, Nov. 07, 2024 (GLOBE NEWSWIRE) -- Medicine Man Technologies, Inc., operating as Schwazze, (OTC: SHWZ) (Cboe CA: SHWZ) ("Schwazze" or the "Company"), today announced preliminary financial and operational results for the third quarter ended September 30, 2024.

"We continued to generate momentum from our retail growth and optimization initiatives in Q3, reflected by our ability to outpace two highly competitive markets while generating sequential improvements in profitability and positive cash flow from operations," said Forrest Hoffmaster, Interim CEO of Schwazze. "Our efforts to sharpen our pricing and promotional strategy, elevate the in-store experience, and improve product quality, assortment and in-stock positions are yielding positive results. I'm proud of our team's hard work and dedication to drive these improvements in the overall customer experience, which has led to increased store traffic in both Colorado and New Mexico. Over the past year, our focused efforts to optimize our operations have built a solid foundation, setting the stage for sustained growth and enhanced levels of profitability in the year ahead.

"Due to our ongoing re-review process with our new auditor, Baker Tilly, we expect a delay in filing our Form 10-Q for the quarter ended September 30, 2024. Our team, in close collaboration with Baker Tilly, is making every effort to complete this re-review promptly. We expect to release our unaudited third quarter results and host a conference call in the coming weeks to discuss our financial and operational performance in greater detail."

### Q3 2024 Preliminary Financial Results

Based on preliminary and unaudited results, the Company expects to report the following for the third quarter ended September 30, 2024:

- Revenue of approximately \$42 million
- Adjusted EBITDA of approximately \$11 million
- Cash flow from operations of approximately \$0.2 million

At quarter end, the Company held cash and cash equivalents of approximately \$11 million with principal amount of debt outstanding of approximately \$196 million.

### Update on Delayed Filing

As previously announced on April 8, 2024, Schwazze dismissed BF Borgers CPA PC ("BF Borgers") as its independent registered public accountant and engaged Baker Tilly US, LLP ("Baker Tilly") as its new independent accountant. Subsequent to the transition, on May 3, 2024, the SEC issued an Order against BF Borgers for systemic failures in meeting PCAOB standards, which impacted over 1,500 SEC filings and affected at least 75 percent of BF Borgers' 369 clients.

As a result of the SEC Order, Schwazze's new auditor needs additional time to complete its prior period review, which includes re-auditing the Company's fiscal year 2023 financial statements and re-reviewing the closing of its 2022 balance sheet prior to filing its 2024 Annual Report. Baker Tilly is actively working to re-audit the Company's financial statements for the associated periods.

Due to the ongoing re-review process, Schwazze anticipates a delay in filing its Quarterly Report on Form 10-Q for the three- and nine-months ending September 30, 2024. Moreover, the Company expects to simultaneously file its Quarterly Report on Form 10-Q for the three months ending March 31, 2024, and June 30, 2024.
