On April 21, 2023, Medicine Man Technologies, Inc. (the “Company”) and the Company’s indirect wholly-owned subsidiary, Evergreen Holdco, LLC, a New Mexico limited liability company (the “Everest Purchaser”), entered into an Asset Purchase Agreement with Sucellus, LLC, a New Mexico limited liability company (“Seller”), James Griffin, Brook Laskey, William Baldwin, Andrew Dolan, and Greg Templeton (the “Equityholders”), and Brook Laskey, as Representative (the “Everest Purchase Agreement”), pursuant to which Everest Purchaser will acquire substantially all of the operating assets of Seller and assume specified liabilities of Seller, subject to the terms and conditions set forth in the Everest Purchase Agreement (the “Everest Acquisition”). Seller is engaged in the business of serving as a management and consulting company, providing managerial and consulting services to Everest Apothecary and supporting Everest Apothecary to promote, support, and develop sales and distribution of THC-based products. Everest Apothecary in the business of cultivating, manufacturing, processing, distributing, and dispensing marijuana and cannabis derived products in New Mexico.

Everest Apothecary is a licensed medical and retail cannabis provider that operates 14 dispensaries, one cultivation facility, and one manufacturing facility. The dispensaries are located in or near Albuquerque, Santa Fe, Las Cruces, Los Lunas, Sunland Park, Belen, and Texico, New Mexico. Everest Apothecary has approximately 16,000 square feet of indoor cultivation capacity and approximately 34,000 square feet of outdoor cultivation capacity between two facilities located in Estancia and Albuquerque, New Mexico, as well as approximately 8,500 square feet of manufacturing capacity in Albuquerque, New Mexico. The aggregate purchase price for Everest Acquisition will be up to approximately \$38 million (subject to customary adjustments for working capital, inventory, debt, seller transaction costs, and cash), payable \$12.5 million in cash, \$17.5 million in the form of an unsecured promissory note, the principal of which is payable on the last day of the calendar quarter following the fourth anniversary of the closing of the Everest Acquisition (“Closing”) with interest payable quarterly at an annual interest rate of 5% (the “Everest Note”), and \$8 million in Company common stock priced at Closing, as well as a potential “earn-out” payment of up to an additional \$8 million, payable in Company common stock priced at Closing, based on the revenue performance of certain retail stores of Everest Apothecary for 12 months following such store opening for business (collectively, the “Acquisition Consideration”).

As a condition to the closing of the Everest Acquisition, Everest Purchaser must be satisfied that it will have control of the board of directors of the NFP following Closing. Further, the Everest Purchase Agreement contemplates that Everest Purchaser will enter into a Call Option Agreement with the NFP that would provide Everest Purchaser with an option to purchase the equity or assets of the NFP, including the cannabis licenses, at such time as such an acquisition would be permitted under applicable New Mexico laws and regulations.

The Everest Purchase Agreement provides for potential indemnification claims by the Company and Everest Purchaser against Everest Apothecary and the Equityholders subject to certain limitations and conditions. Permitted indemnification claims will be first offset against the Note. The Company and Everest Purchaser have also agreed to indemnify Seller, the Equityholders and certain other persons subject to certain limitations and conditions.

The Everest Purchase Agreement contains customary representations and warranties, covenants and indemnification provisions for a transaction of this nature, including, without limitation, covenants regarding the operation of Everest Apothecary’s business before Closing, and confidentiality, non-disparagement, non-solicitation and non-competition undertakings by the Equityholders, among others. The Everest Purchase Agreement also contains certain termination rights for parties, subject to the conditions set forth in the Everest Purchase Agreement, including, without limitation, if the Closing has not occurred on or before July 20, 2023. The Company expects to fund the cash portion of the Acquisition Consideration from the proceeds of the Company’s secured convertible note offering and cash on hand from operations.

#### ARTICLE I.

##### PURCHASE AND SALE OF ASSETS; ASSUMPTION OF LIABILITIES; EMPLOYEE MATTERS

**Section 1.1 Purchased Assets.** On the terms and subject to the conditions set forth in this Agreement, at the Closing, Seller will sell, assign, transfer, convey and deliver to Purchaser, and Purchaser will purchase, acquire and accept from Seller, all of the assets of Seller used or held for use in the Business, other than the Excluded Assets, including the assets of Seller set forth on **Schedule 1.1** (collectively, the “**Purchased Assets**”), free and clear of all Encumbrances, other than Permitted Encumbrances.

**Section 1.2 Excluded Assets.** The Purchased Assets will not include any assets set forth on **Schedule 1.2** (collectively, the “**Excluded Assets**”).

**Section 1.3 Assumed Liabilities; Excluded Liabilities.** On the terms and subject to the conditions set forth in this Agreement, at the Closing, Purchaser will assume and pay, defend, discharge and perform, as and when due the Liabilities of Seller identified on **Schedule 1.3** (collectively, the “**Assumed Liabilities**”). Except for the Assumed Liabilities, Purchaser will not assume, and Seller will pay, defend, discharge and perform, as and when due, and otherwise retain and remain solely responsible for, all Liabilities of the Company Parties that are not included in the Assumed Liabilities (collectively the “**Excluded Liabilities**”), including: (a) any Indebtedness of Seller and the NFP, (b) any Liability of any successor or Affiliate of Seller, (c) any Liability of any Person, directly or indirectly related to, accruing or arising out of, caused by or resulting from the operation or conduct of the Business or the ownership of the Purchased Assets first arising prior to the Closing, whether or not recorded on the books and records of any Person (excluding any trade or other accounts payable of Seller payable to third parties that remain outstanding as of the Closing and which are reflected in the Net Working Capital), (d) any Liability arising under or in any way related to the Employee Benefit Plans arising prior to the Closing, (e) without limiting the generality of any of the foregoing, any Liability in respect of Taxes of Seller, successors or Affiliates, or any Liability in respect of any Taxes arising from or relating to the Business or the Purchased Assets or ownership or operation thereof during any Pre-Closing Tax Period, (f) any Liability directly or indirectly related to, accruing or arising out of, caused by or resulting from the operation or ownership of the Excluded Assets, and (g) any Transaction Expenses incurred by Seller, the Equityholders or the NFP. Without limiting the generality of the foregoing, it is understood and agreed that unless a Liability is within the definition of Assumed Liabilities under this **Section 1.3** or **Schedule 1.3**, neither Purchaser nor any of its Affiliates will assume, nor will any of them be liable for, such Liability.

**Section 1.4 Electronic Transfer of Certain Assets.** The Parties agree that, at the request of Purchaser and at Seller’s expense, Seller will use commercially reasonable efforts to deliver any of the Purchased Assets that can be transmitted to Purchaser electronically promptly following the Closing in a secure format and manner mutually agreeable to the Parties and such Purchased Assets will not be delivered to Purchaser on any tangible medium. After the Closing, subject to **Section 6.6**, Seller will not directly or indirectly use any copies of such Purchased Assets under its custody or control except for (a) the purpose of verifying delivery of or re-delivering such Purchased Assets to Purchaser or (b) complying with, or enforcing its rights under, this Agreement or the Related Agreements. Upon the written request of Purchaser following the Closing, Seller will return or destroy any such copies of the Purchased Assets using commercially reasonable means (excluding any copies created by automatic back-up systems in the ordinary course), but, in any event, will not thereafter directly or indirectly permit or perform any recovery or restoration thereof, whether through forensics, archives, undeletion, or otherwise.

**Section 1.5 Inability to Assign Assigned Contracts.**

(a) Notwithstanding anything to the contrary contained in this Agreement or in any Related Agreement, to the extent that the assignment or attempted assignment to Purchaser of any Contract or Permit that is included among the Purchased Assets, including any Inbound License relating to Software included in the Purchased Assets (each such Contract, an “**Assigned Contract**”), or any claim, right or benefit arising thereunder or resulting therefrom, is prohibited by any Law, or would require any consent, waiver, authorization, notice or novation by any Person, and such consent, waiver, authorization, notice or novation has not been obtained or made prior to the Closing in a form and substance reasonably acceptable to Purchaser, or with respect to which any attempted assignment would be ineffective or would materially and adversely affect the rights of Seller or Purchaser thereunder, then neither this Agreement nor any Related Agreement will constitute an assignment or attempted assignment thereof, and the same will not be assigned at the Closing.

(b) Both prior to and in the twelve months following the Closing, Seller and Purchaser will use commercially reasonable efforts and reasonably cooperate with each other to obtain promptly all consents, waivers, authorizations or novations and to timely give all notices required with respect to the Assigned Contracts such that Purchaser shall be solely responsible for all such liabilities and obligations thereunder from and after Closing to the extent they constitute Assumed Liabilities. Purchaser will bear all of the cost of all filing, recordation and similar fees and Taxes payable to any Governmental Authority in connection with the assignment of the Assigned Contracts and any additional fees or charges (howsoever denominated) required by any Person in connection with the assignment of any of the Assigned Contracts or any related consent, waiver, authorization, novation or notice; provided, that Purchaser and Seller shall each pay 50% of any fee, charge or payment required by any landlord in connection with the assignment of any lease included in the Assigned Contracts.

(c) If any consent, waiver, authorization, novation or notice that is required for the effective assignment to Purchaser of any Assigned Contract cannot be obtained or made and, as a result, the material benefits of such Assigned Contract cannot be provided to Purchaser following the Closing as otherwise required in accordance with this Agreement, then Purchaser and Seller will use commercially reasonable efforts to enter into such arrangements (such as subleases, sublicenses and subcontracts) to provide the Parties the economic benefits and, to the extent they constitute Assumed Liabilities, obligations (taking into account all burdens and benefits, including Tax costs and benefits) and operational equivalent of the transfer of such Assigned Contract to Purchaser as of the Closing and the performance by Purchaser of its obligations with respect thereto. Purchaser shall, as agent, sublicensee or subcontractor of Seller, pay, perform and discharge fully Seller's obligations and liabilities under such Assigned Contracts (to the extent they constitute Assumed Liabilities) from and after the Closing Date and may enforce Seller's rights under such Assigned Contract as if such Assigned Contract had been assigned to Purchaser (and as if Seller had obtained or made such consent, waiver, authorization, novation, or notice as the case may be), including (i) enforcing, at Purchaser's request and expense, any rights of Seller arising with respect thereto, including the right to terminate such Assigned Contract upon the request of Purchaser, and (ii) permitting Purchaser to enforce any rights arising with respect thereto. Seller will pay to Purchaser, when received, all income, proceeds and other monies received by Seller from third parties to the extent related to Purchaser's intended rights under any Assigned Contract, and Purchaser will indemnify and promptly pay Seller for all Assumed Liabilities associated with such Assigned Contract, in each case, as contemplated by this Agreement, including this **Section 1.5(b)**. Once a consent, waiver, authorization or novation for any such Contract is obtained or notice is properly made in form and substance reasonably acceptable to Purchaser, the applicable Seller will assign such Assigned Contract to Purchaser at no additional cost to Purchaser.

## **ARTICLE II. PURCHASE PRICE AND RELATED MATTERS**

**Section 2.1 Purchase Price.** The aggregate purchase price for the Purchased Assets (the "**Purchase Price**") will consist of the assumption by Purchaser of the Assumed Liabilities as set forth in **Section 1.3** and the payment by Purchaser to Seller or such other Persons as set forth herein, of the sum of (i) \$38,000,000, *plus* (ii) any Positive Working Capital Adjustment, *plus* (iii) any Positive Closing Inventory Adjustment, *plus* (iv) any Earn-Out Payment, or *minus* (v) any Negative Working Capital Adjustment, *minus* (vi) in the event the Actual Cash Amount is less than the Base Cash Amount, the amount by which the Base Cash Amount exceeds the Actual Cash Amount (the "**Cash Shortfall Amount**"), *minus* (vii) any Negative Closing Inventory Adjustment.

Purchaser may submit any objections in writing to Seller at least one (1) Business Day prior to the anticipated Closing and Seller will cooperate in good faith with Purchaser to revise the Estimated Closing Purchase Price to reflect the mutual agreement of Seller and Purchaser. Seller will make its respective financial records reasonably available to Purchaser and its accountants and other representatives at reasonable times at any time during the review by Purchaser of the calculation of the Estimated Closing Purchase Price.

(b) Subject to the satisfaction or waiver of all of the conditions set forth in **Section 3.2**, at the Closing, the MMT Parties will pay or cause to be paid from the Estimated Closing Purchase Price as set forth in the Pre-Closing Statement, with any adjustments that are mutually determined by Purchaser and Seller pursuant to **Section 2.2(a)**, to Seller or such other Persons as indicated below:

(i) Any unpaid Seller Transaction Expenses and outstanding Indebtedness in accordance with payment instructions delivered by Seller to Purchaser before the Closing;

(c) At the Closing, Parent shall deliver or cause to be delivered to the Seller \$8,000,000 of Parent Common Stock, priced at the Closing VWAP.

(d) At the Closing, the MMT Parties shall issue to the Seller the Promissory Note in the initial principal amount of \$17,500,000.

(e) The MMT Parties will pay or cause to be paid, in two equal installments on the dates that are ninety (90) days and one hundred and eighty (180) days after the Closing, by wire transfer of immediately available funds, to the bank accounts designated in writing by Seller before the Closing, or such other account or accounts as designated in writing by Seller at least one (1) Business Day prior to the payment dates, the Positive Closing Inventory Adjustment, if any.

### **Section 2.3 Closing Inventory Adjustment Procedures.**

(a) Within three (3) after the Closing Date, Purchaser shall conduct an inspection of the Inventory to determine the amounts and values thereof as of the Closing. Within five (5) days after the Closing Date, Purchaser will prepare and deliver to the Representative a statement (the “**Closing Inventory Statement**”), prepared in accordance with the Accounting Principles, setting forth, in reasonable detail, Purchaser’s calculation of the Inventory amounts and the Retail Inventory Value as of the Closing Date based on such inspection. The procedures set forth in Section 2.5 shall apply to finally determine the amount of the Closing Inventory Adjustment; *provided, however*, (a) any reference to “Closing Purchase Price” shall be substituted with the term “Closing Inventory Adjustment” in each place it appears; (b) any reference to “Net Working Capital” and “Actual Cash Amount” shall be deleted and replaced with “Retail Inventory Value” in each place it appears; (c) any reference to “Disputed Purchase Price Components” shall be replaced with “Disputed Inventory Components” (as defined in **Exhibit A**) in each place it appears; (d) any reference to “thirty (30) days” in **Section 2.5(b)** shall be replaced with “fifteen (15) days” in each place it appears; (e) any reference to “thirty (30) days” in **Section 2.5(c)** shall be replaced with “fifteen (15) days” in each place it appears; (f) any reference to “forty-five (45) days” in **Section 2.5(c)** shall be replaced with “thirty (30) days” in each place it appears; and (g) **Section 2.5(d)** shall not apply and, instead, the Closing Inventory Adjustment as finally determined shall be paid in accordance with **Section 2.2(e)** or **Section 2.3(b)**, as applicable.

(b) If there is a Negative Closing Inventory Adjustment, Purchaser will recover the amount of the Negative Closing Inventory Adjustment by recovery pursuant to the Set-Off.

## Section 2.4 Earn-Out

(a) As additional consideration for the Purchased Assets, at such times as provided in **Section 2.4(c)**Section 2.4(b)(iii), Purchaser shall pay to the Seller a total earn-out payment (the “**Earn-Out Payment**”) equal to: the aggregate Earn-Out Revenue for each Earn-Out Store for such Earn-Out Store’s Calculation Period, as limited pursuant to **Section 2.4(c)**.

(b) Procedures applicable to determination of the Earn-Out Payment.

(i) For each Earn-Out Store, on or before the date which is 60 days after the last day of such Earn-Out Store’s Calculation Period, Purchaser shall prepare and deliver to the Representative a written statement (the “**Earn-Out Calculation Statement**”) setting forth in reasonable detail its determination of the Earn-Out Revenue for such Earn-Out Store’s Calculation Period (the “**Earn-Out Calculation**”). Purchaser shall provide the Representative with copies of such records and work papers used or created in connection with preparation of such Earn-Out Calculation Statement as is reasonable to support such Earn-Out Calculation Statement. The Seller shall provide Purchaser with copies of such records and work papers for each Earn-Out Store as requested by Purchaser for determining such Earn-Out Store’s Earn-Out Revenue for the period of such Earn-Out Store’s Calculation Period occurring on and prior to the Closing Date.

(ii) The Representative shall have 45 days after receipt of such Earn-Out Store’s Earn-Out Calculation Statement (the “**Earn-Out Review Period**”) to review the Earn-Out Calculation Statement and the Earn-Out Calculation set forth therein. During the Earn-Out Review Period, the Representative and its accountants and other professional advisors shall have the right to inspect the Purchaser’s books and records during normal business hours at the Buyer’s offices, upon reasonable prior notice and to the extent and solely for purposes reasonably related to the determination of each Earn-Out Store’s Earn-Out Revenue. Prior to the expiration of the Earn-Out Review Period, the Representative may object to the Earn-Out Calculation by delivering a written notice of objection (an “**Earn-Out Calculation Objection Notice**”) to Purchaser. Any Earn-Out Calculation Objection Notice shall specify the items in the Earn-Out Calculation disputed by the Representative and shall describe in reasonable detail the basis for such objection, as well as the amount in dispute. If the Representative fails to deliver an Earn-Out Calculation Objection Notice to Purchaser prior to the expiration of the applicable Earn-Out Review Period, then the Earn-Out Calculation set forth in the Earn-Out Calculation Statement shall be final and binding on the parties hereto. If the Representative timely delivers an Earn-Out Calculation Objection Notice, Purchaser and the Representative shall negotiate in good faith to resolve the disputed items and agree upon the resulting amount of the Store Earn-Out Revenue.

(iii) If Purchaser and the Representative are unable to reach agreement within 10 Business Days after such an Earn-Out Calculation Objection Notice has been given, all unresolved disputed items shall be promptly referred to the Independent Accounting Firm. The Independent Accounting Firm shall be directed to render a written report on the unresolved disputed items with respect to the applicable Earn-Out Store Earn-Out Calculation as promptly as practicable, but in no event greater than 45 days after such submission to the Independent Accounting Firm, and to resolve only those unresolved disputed items set forth in the Earn-Out Calculation Objection Notice. If unresolved disputed items are submitted to the Independent Accounting Firm, Purchaser and Representative shall each furnish to the Independent Accounting Firm such work papers, schedules and other documents and information relating to the unresolved disputed items as the Independent Accounting Firm may reasonably request. The Independent Accounting Firm shall resolve the disputed items based solely on the applicable definitions and other terms in this Agreement and the presentations by Purchaser and Representative, and not by independent review. The resolution of the dispute and the calculation of the Earn-Out Store Earn-Out Revenue that is the subject of the applicable Earn-Out Calculation Objection Notice by the Independent Accounting Firm shall be final and binding on the parties hereto, absent manifest error (meaning a mathematical error or the use of an accounting standard that is not GAAP). The fees and expenses of the Independent Accounting Firm shall be borne by Purchaser and the Company Parties (pursuant to an offset in any Store Earn-Out Payment, if any, or pursuant to the Set-Off, or a mix thereof, at Purchaser’s discretion) in proportion to the amounts by which their respective calculations of Earn-Out Revenue differ from Earn-Out Revenue as finally determined by the Independent Accounting Firm.

(c) Any Earn-Out Payment that Purchaser is required to pay pursuant to this **Section 2.34** shall be paid in full in Parent Common Stock, priced at the Closing VWAP, no later than 10 days following the date upon which the determination of Earn-Out Revenue of each Earn-Out Store has become final and binding upon the Parties as provided in **Section 2.4(b)** (including any final resolution of any dispute raised by Representative in an Earn-Out Calculation Objection Notice). The Earn-Out Payment shall not exceed \$8,000,000.

(d) Purchaser will, following the Closing Date, for each Earn-Out Store, at all times during such Earn-Out Store's Calculation Period: (i) use commercially reasonable efforts to operate the business of such Earn-Out Store in accordance with customary practices consistent with Parent's operation of its similar businesses in New Mexico; and (ii) not take any action or fail to take any action with the intention to avoid, limit, minimize or reduce the Earn-Out Payment.

#### **Section 2.5 Purchase Price Adjustments.**

(a) As soon as practicable, but no later than 90 days after the Closing Date, Purchaser will prepare and deliver to the Representative a statement (the "**Closing Statement**"), prepared in accordance with the Accounting Principles, setting forth, in reasonable detail, Purchaser's calculation of the Closing Purchase Price, including the Net Working Capital and the and the Actual Cash Amount.

(b) The Representative and its representatives will be entitled to review the Closing Statement, together with any financial books and records of Purchaser with respect to the Business and related to the calculations set forth in the Closing Statement to be provided upon the Representative's reasonable request; *provided*, that (i) such review must be conducted at reasonable times during normal business hours and in a manner so as not to unreasonably interfere with the normal business operations of Purchaser, (ii) the Representative will treat all such information as confidential and hereby waives any right to use such information for any purpose other than in connection with the determination of the final Closing Purchase Price, and (iii) the costs and expense of such review, including the fees of any third-party advisors, will be borne by the Representative. If, during the thirty (30) day period after the Representative's receipt of the Closing Statement (the "**Objection Period**"), the Representative disagrees with the Closing Statement, then the Representative will give written notice (an "**Objection Notice**") to Purchaser prior to the expiration of the Objection Period, which notice shall specify in reasonable detail the Representative's disagreement with Purchaser's determination of the Closing Purchase Price as set forth in the Closing Statement, including the Representative's calculation of the Net Working Capital and the Actual Cash Amount. Any Objection Notice must specify those items or amounts as to which the Representative disagrees, and the Representative will be deemed to have agreed with all other items and amounts contained in the Closing Statement. If the Representative does not deliver an Objection Notice within the Objection Period, then the Representative will be deemed to have agreed with the determination of the Closing Purchase Price as set forth in the Closing Statement.

(c) If an Objection Notice is duly delivered in accordance with **Section 2.5(b)**, Purchaser and the Representative will, during the thirty (30) days following delivery of the Objection Notice, use commercially reasonable efforts to reach agreement on the disputed items or amounts set forth in the Objection Notice (the "**Disputed Purchase Price Components**") in order to determine the Closing Purchase Price, which amount must be within the range of the amount thereof shown in the Closing Statement and the amount thereof shown in the Objection Notice. If, during such thirty (30)-day period, Purchaser and the Representative are unable to reach agreement on the Disputed Purchase Price Components, Purchaser and Representative shall appoint by mutual agreement an independent accounting firm of recognized national or regional standing (the "**Independent Accounting Firm**"), who, acting as independent experts and not arbitrators, shall review this Agreement and resolve the Disputed Purchase Price Components for the purpose of calculating the Closing Purchase Price. In making its calculation of the Closing Purchase Price, the Independent Accounting Firm may consider only the Disputed Purchase Price Components. The Independent Accounting Firm's determination of any Disputed Purchase Price Components and its calculation of the Closing Purchase Price must be within the range of the amount thereof shown in the Closing Statement and the amount thereof shown in the Objection Notice. The Independent Accounting Firm will deliver to Purchaser and the Representative, as promptly as practicable, but in any event within 45 days after its appointment, a report setting forth, in reasonable detail, its determination of the Closing Purchase Price. Such report will be final and binding upon the Parties absent fraud or manifest error. The cost of the Independent Accounting Firm's review and report will be borne by Purchaser, on the one hand, and the Seller, on the other hand, in the same proportion that the dollar amount of the Disputed Purchase Price Components that are not resolved in favor of Purchaser, on the one hand, and the Seller, on the other hand, bears to the total dollar amount of the Disputed Purchase Price Components resolved by the Independent Accounting Firm. Each Party will bear all of its other expenses incurred in connection with matters contemplated by this **Section 2.55**.

(d) Within five Business Days after the end of the Objection Period, if the Representative has not delivered an Objection Notice during the Objection Period, or within five Business Days of the resolution of all disputes pursuant to **Section 2.5(c)**, the Parties will make the following payments:

(i) If the Closing Purchase Price as finally determined under this **Section 2.55** is greater than the Estimated Closing Purchase Price, Purchaser will pay to Seller the amount by which the Closing Purchase Price as finally determined under this **Section 2.55** exceeds the Estimated Closing Purchase Price by wire transfer of immediately available funds to a bank account or accounts designated in writing by the Representative at least one (1) Business Days prior to such payment date, taking into account any amount that is to be paid to Kirk as a Kirk Payment. Any such amount to be paid to Kirk as a Kirk Payment shall instead be directed by Purchaser to the NFP for further payment to Kirk, subject to withholding.

(ii) If the Closing Purchase Price as finally determined under this **Section 2.55** is less than the Estimated Closing Purchase Price, Purchaser will recover such shortfall by recovery pursuant to the Set-Off.

(iii) For the avoidance of doubt, in no event will any additional non-cash consideration be payable as a result of any adjustment to the Estimated Closing Purchase Price as finally determined pursuant to this **Section 2.5(d)**.

**Section 2.6 Allocation of Closing Purchase Price.** Within 120 days following the Closing, Seller will prepare and deliver to Purchaser a proposed purchase price allocation schedule (the “**Proposed Allocation Schedule**”) allocating the Purchase Price (and other items of consideration (including the Assumed Liabilities) and capitalized costs for U.S. federal income tax purposes) among the Purchased Assets in accordance with Section 1060 of the Code and the Treasury Regulations thereunder. If the Proposed Allocation Schedule deviates from the allocation principles proposed by the MMT Parties and set forth on **Schedule Section 2.66** hereto (the “**Allocation Principles**”), the Seller shall provide a good faith explanation as part of the Proposed Allocation Schedule as to why the Proposed Allocation Schedule deviates from the Allocation Principles. If, within thirty (30) days after Purchaser’s receipt of the Proposed Allocation Schedule, the Purchaser notifies Seller in writing that Purchaser disagrees with the Proposed Allocation Schedule, then Purchaser and Seller shall use commercially reasonable efforts to resolve in good faith any differences with respect to the Proposed Allocation Schedule. If the Purchaser does not so notify Seller within fifteen (15) days of receipt of the Proposed Allocation Schedule, or upon resolution of the disputed items by the Purchaser and Seller, the Proposed Allocation shall become final and binding on both Purchaser and Seller (the “**Final Allocation Schedule**”). If the Seller and Purchaser are unable to resolve their disagreement within thirty (30) days following any such notification by the Purchaser, the dispute shall be submitted to the Independent Accounting Firm, whose expense shall be borne one-half by the Seller and one-half by the Purchaser, for speedy resolution of the disputed items in accordance with the provisions of this **Section 2.66** and consistent with **Schedule Section 2.66**. The allocation delivered by the Independent Accounting Firm shall be the Final Allocation Schedule and binding on both Purchaser and Seller. The Parties agree (a) to report, act, prepare and file, or cause to be prepared and filed, each of their respective Tax Returns (including IRS Form 8594) in all respects and for all purposes consistent with the Final Allocation Schedule and (b) unless otherwise required by a “determination” within the meaning of Section 1313 of the Code or otherwise by Law, to take no position inconsistent with the Final Allocation Schedule on any applicable Tax Return, in any Legal Proceeding before any Governmental Authority, in any report made for Tax, financial accounting, or any other purpose.

**Section 2.7 Tax Withholding.** Purchaser will be entitled to deduct and withhold from any payment otherwise payable pursuant to this Agreement the amounts required to be deducted and withheld under the Code, or any provision of applicable state, local or foreign Tax Law. To the extent that amounts are so withheld and timely remitted to the appropriate Governmental Authority, such amounts will be treated for all purposes of this Agreement as having been paid to the Seller or such other Person in respect of whom such withholding was made.

**Section 2.8 Distribution of Purchase Price.** Seller may distribute to the Equityholders, in accordance with their Pro Rata Portions as to the aggregate consideration and with prior notice to Purchaser and Parent, any cash, the Promissory Note and Parent Common Stock received by Seller pursuant to this Agreement.

The Parties each agree to consult with and to keep the other Parties hereto informed on a regular basis regarding the status of any Tax proceeding to the extent that such proceeding could affect a liability of such other Parties (including indemnity obligations hereunder). Representative shall have the right to control, in good faith, the conduct of a Tax proceeding relating solely to a Tax period ending on or before the Closing Date (which shall not, for the avoidance of doubt, include a Straddle Period) (a “**Pre-Closing Tax Claim**”); provided, that (i) Representative shall keep Purchaser informed regarding the progress and substantive aspects of Pre-Closing Tax Claim, (ii) Purchaser shall be entitled at its expense to participate in any such Pre-Closing Tax Claim, and (iii) Representative shall not compromise or settle any such Pre-Closing Tax Claim without obtaining Purchaser’s prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). Purchaser shall cooperate with Representative in obtaining such refunds or credits, including through the filing of amended Tax Returns or refund claims, as requested by the Seller. To the maximum extent permitted by law, any such Tax Refunds will be claimed in cash rather than as a credit against future Tax liabilities.

(f) Without the prior written consent of Seller, none of the NFP, Purchaser or any of their Affiliates shall amend any tax return, enter into any closing agreement, initiate any voluntary disclosure agreement with any Taxing authority, settle any Tax claim or assessment relating to the NFP, extend or waive the limitation period applicable to any Tax claim or assessment, surrender any right to claim a refund for Taxes, or take any other similar action, or omit to take any action relating to the filing of any Tax Return or the payment of any Tax, if such action or omission would or could reasonably be expected to give rise to an indemnity obligation of the Seller under this Agreement, unless Purchaser agrees to waive such indemnification obligation.

(iii) Neither Seller nor any Equityholder shall make, directly or indirectly any disparaging statements, either orally or in writing, about any MMT Party or NFP or any of the names, businesses (including the Business) or officers of any MMT Party or NFP. (c) If a final Order from a Governmental Authority or a court or tribunal of competent jurisdiction determines that any provision of this **Section 6.8** is invalid or unenforceable, the Parties agree that the court or tribunal will have the power to reduce the scope, duration, or geographic area of the provision, to delete specific words or phrases, or to replace any invalid or unenforceable provision with a provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable provision. This **Section 6.8** will be enforceable as so modified at the time such Order becomes effective. The Parties acknowledge and agree that this **Section 6.8** is reasonable and necessary to protect and preserve legitimate business interests and to prevent an unfair advantage from being conferred upon any Party.

#### **Section 7.2 Indemnification Procedure.**

(a) **Notice of Claims.** Any Purchaser Indemnified Person or Seller Indemnified Person claiming indemnification hereunder (each, a **"Claiming Party"**) will deliver, in the case of the Purchaser Indemnified Persons, to Seller, or in the case of a claim against a particular Equityholder, such Equityholder and in the case of the Seller Indemnified Persons, to Purchaser (as applicable, the **"Responding Party"**), notice (a **"Claim Notice"**) of any claim (each, a **"Claim"**) as to which such Claiming Party proposes to demand indemnification hereunder promptly after the Claiming Party has received notice thereof or otherwise becomes aware of such Claim, which such Claim Notice shall provide in sufficiently reasonable detail the facts of such Claim, the parties involved, and the amount at issue; *provided* that failure to give timely notice will not limit the indemnification obligations of the Responding Party hereunder except to the extent the Responding Party is actually materially prejudiced by the delay in giving, or failure to give, such notice.

(b) **Objections to Claims; Resolution of Conflicts.**

(i) The Responding Party will have the right to object to the Claiming Party's right to be indemnified pursuant to this **Section 6.10** for any Claim made pursuant to **Section 7.2(a)** by delivering written notice of such objection (each, a **"Claim Objection Notice"**) to the applicable Claiming Party within ten (10) Business Days following the Responding Party's receipt of a Claim Notice (such period, the **"Claim Objection Period"**). The Claim Objection Notice with respect to any Claim will specify in reasonable detail the basis for the Responding Party's objection to such Claim. In the event that the Responding Party does not object to a Claim within the Claim Objection Period, (A) the Responding Party will be deemed to have accepted and agreed to the Claim set forth in the Claim Notice and (B) the Purchaser Indemnified Persons' or Seller Indemnified Persons' right to recovery in respect of such Claim will be effective as of the day following the expiration of the Claim Objection Period.

(ii) In the event the Responding Party timely delivers a Claim Objection Notice to the Claiming Party with respect to any particular Claim pursuant to **Section 7.2(b)(i)**, (A) the Claiming Party will have ten (10) Business Days after receipt of such Claim Objection Notice to respond thereto and (B) the Claiming Party and the Responding Party will attempt in good faith during the ten (10)-Business Day period after the Responding Party's receipt of such written response to reach a settlement of such Claim. If such a settlement is reached with respect to such Claim, the Purchaser Indemnified Persons' or Seller Indemnified Persons', as applicable, right to recovery in respect of such Claim will be effective as of the date of settlement. If no such settlement can be reached after good faith negotiation during such ten (10) Business Day period, either the Claiming Party or the Responding Party may commence a Legal Proceeding to resolve such Claim in accordance with **Section 9.9**. This **Section 7.2(b)** will not apply to any Legal Proceeding for, or in any way limit the rights and remedies of any Party with respect to or such Party's right to seek, specific performance, injunctive or declaratory relief or other equitable remedies pursuant to **Section 7.6** or otherwise.

(c) Third-Party Claims. If any Claim is a third-party claim (each, a "**Third-Party Claim**") the following provisions will apply:

(i) The Responding Party will have the right to conduct and control the defense of the Third-Party Claim with counsel of the Responding Party's choice; *provided* that the Responding Party must conduct the defense of the Third-Party Claim diligently and must keep the Claiming Party reasonably informed of the status of the Third-Party Claim; and *provided, further* that the Claiming Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third-Party Claim (except that the Responding Party will be responsible for the reasonable fees and expenses of the Claiming Party's counsel (but not more than one law firm per jurisdiction, except where the Third-Party Claim includes claims relating to cannabis regulatory or securities matters, in which case the Responding Party shall be entitled to retain separate law firms for such claims) if counsel for the Claiming Party reasonably determines in good faith that counsel for the Responding Party has a conflict of interest or that there may be one or more defenses available to the Claiming Party that are not available to the Responding Party) and participate in (but not control) the defense of the Third-Party Claim. The Responding Party will not settle or compromise such Third-Party Claim without the prior written consent of the Claiming Party, which will not be unreasonably withheld, conditioned or delayed, unless: (i) the Claiming Party is given a full and complete release of any and all liability by all relevant parties to such Third-Party Claim; and (ii) the settlement does not impose an injunction or other equitable relief upon the Claiming Party. Notwithstanding the foregoing, if the Responding Party is a Seller or Equityholder, the Responding Party shall not have the right to defend or direct the defense of any such Third-Party Claim that (x) is asserted directly by or on behalf of a Person that is a material supplier or customer of the Purchaser or the Business, or (y) is a criminal proceeding against the Claiming Party or seeks an injunction or other equitable relief against the Claiming Party.

(ii) In the event that (x) the Responding Party does not elect to assume the defense of any Third-Party Claim within twenty (20) Business Days following the Responding Party's receipt of a Claim Notice, or (y) the Third-Party Claim seeks as a primary remedy an injunction or other equitable or non-monetary relief against the Claiming Party, (A) the Claiming Party will assume and conduct the defense of the Third-Party Claim (and, for the avoidance of doubt, costs of such defense, including fees and disbursements of its counsel (one law firm per jurisdiction, other than Third-Party Claims including cannabis regulatory or securities matters, in which case the Claiming Party shall be entitled to retain separate firms specializing in such matters), experts and other agents shall be payable by the Responding Party) and will keep the Responding Party reasonably informed of the status of the Third-Party Claim, (B) the Responding Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third-Party Claim and (C) the Claiming Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third-Party Claim without the prior written consent of the Responding Party (not to be unreasonably withheld, conditioned or delayed).

(iii) The MMT Parties, Seller, the Equityholders, the Responding Party and the Claiming Party will reasonably cooperate with each other in the defense of any Third-Party Claim and will make available to the Party or Parties defending such Claim such materials and assistance relating thereto as is reasonably requested from such Person.

### Section 7.3 Survival.

(a) **General.** The representations, warranties, covenants, obligations and agreements contained in this Agreement or in any Related Agreement and all related rights to indemnification will survive the Closing as set forth in this **Section 7.3**. Except as provided in **Section 7.3(b)**, (i) the representations, warranties and covenants of Seller, the Equityholders and the MMT Parties contained in this Agreement and any Related Agreement will survive the Closing and the consummation of the transactions contemplated hereby and will terminate at 11:59 p.m., Mountain Time, on the date that is 18 months after the Closing Date (the “**General Survival Period**”), and (ii) neither Seller, any Equityholder or the MMT Parties will have any obligation to provide indemnification pursuant to **Section 7.1(b)(i)** or **Section 7.1(b)(ii)**, or **Section 7.1(c)(i)** or **Section 7.1(c)(ii)**, as applicable, for any breach or inaccuracy of any representation, warranty or covenant of Seller or any Equityholder or the MMT Parties contained in this Agreement, the Seller Closing Certificate, any Equityholder Closing Certificate or the Purchaser Closing Certificate unless a Claim with respect thereto is asserted in accordance with this **Section 6.10** on or prior to 11:59 p.m., Mountain Time, on the date that is 18 months after the Closing Date.

(b) **Extended Survival.** Notwithstanding **Section 7.3(a)**:

(i) the Fundamental Representations and Purchaser Fundamental Representations, subject to any applicable limitation stated herein, will survive the Closing and the consummation of the transactions contemplated hereby for a period of six (6) years;

(ii) the Extended Representations, subject to any applicable limitation expressly stated herein, will survive the Closing and the consummation of the transactions contemplated hereby until, and will terminate at, 11:59 p.m., Mountain Time, on the date that is the three-year anniversary of the Closing Date, and no Seller or Equityholder will have any obligation to provide indemnification pursuant to **Section 7.1(b)(i)** for any breach or inaccuracy, or allegation by any third party which, if true, would be a breach or inaccuracy of any such representation or warranty unless a Claim with respect thereto is asserted in accordance with this **ARTICLE VII** prior to such time;

(iii) all covenants and agreements of the parties contained herein shall survive the Closing and shall remain in full force and effect for the full period of all applicable statutes of limitations (giving effect to any waiver, mitigation or extension thereof) plus thirty (30) days; and

(iv) all Claims based on **Section 7.1(b)(iii)**, **Section 7.1(b)(v)** or **Section 7.1(c)(iii)**, will survive the Closing until, and will terminate at 11:59 p.m., Mountain Time, on the date that is 60 days after the date of expiration of the applicable statute of limitation and no Seller, Equityholder or Purchaser will have any obligation to provide indemnification pursuant to **Section 7.1(b)(iii)**, **Section 7.1(b)(v)** or **Section 7.1(c)(iii)**, as applicable, with respect thereto unless any such Claim is asserted in accordance with this **Section 6.10** on or prior to such time.

(c) **Survival of Claims Until Final Determination.** For each Claim for indemnification hereunder regarding a representation, warranty, covenant, obligation or agreement that is made before the expiration of such representation, warranty, covenant, obligation or agreement, such Claim and associated rights to indemnification will not terminate until the Final Determination of such Claim.

(d) Enforcement of Survival Period. It is the express intent of the Parties that, if the applicable survival period for an item as contemplated by this **Section 7.3** (the “**Applicable Survival Period**”) is longer than the statute of limitations that would otherwise have been applicable to such item, then, by contract, the applicable statute of limitations with respect to such item will be increased to the extended survival period set forth in this **Section 7.3**. The Parties further acknowledge that the Applicable Survival Periods set forth in this **Section 7.3** for the assertion of claims under this Agreement are the result of an arm’s-length negotiation among the Parties and that the Parties intend for the time periods to be enforced as agreed by the Parties.

#### **Section 7.4 Limitations.**

(a) Threshold. Except as provided in **Section 7.4(b)**, the Purchaser Indemnified Persons will not be entitled to indemnification pursuant to **Section 7.1(b)(i)** unless and until the aggregate amount of all Damages of the Purchaser Indemnified Persons pursuant to **Section 7.1(b)(i)** exceeds \$322,500 (the “**Threshold**”); and if the Damages of the Purchaser Indemnified Persons pursuant to Error! Reference source not found. exceed the Threshold, then Seller and the Equityholders shall be obligated for any Damages pursuant to **Section 7.1(b)(i)** related to such Claim from the first dollar (subject to the other express limitations set forth in this **Section 6.10**). Except as provided in **Section 7.4(b)**, the Seller Indemnified Persons will not be entitled to indemnification pursuant to **Section 7.1(c)(i)** unless and until the aggregate amount of all Damages of the Seller Indemnified Persons pursuant to **Section 7.1(c)(i)** exceeds the Threshold; and if the Damages of the Seller Indemnified Persons pursuant to **Section 7.1(c)(i)** exceed the Threshold, then Purchaser will be obligated for any Damages pursuant to **Section 7.1(b)(i)** related to such Claim from the first dollar (subject to the other express limitations set forth in this **Section 6.10**).

(b) Exceptions. The limitations set forth in **Section 7.4(a)** will not apply to or otherwise affect the Purchaser Indemnified Persons’ or Seller Indemnified Persons’ ability to make Claims or recover Damages with respect to Claims based on or for (i) a breach or inaccuracy of any Fundamental Representation or Purchaser Fundamental Representation (or any inaccuracy of the Seller Closing Certificate, any Equityholder Closing Certificate or the Purchaser Closing Certificate with respect to the same), (ii) Fraud, or (iii) indemnification under **Section 7.1(b)(ii)**, **Section 7.1(b)(iii)**, **Section 7.1(c)(ii)** or **Section 7.1(c)(iii)** (collectively, “**Indemnification Exclusions**”).

(c) Caps on Indemnification Obligations of Seller.

(i) Except with respect to Fundamental Representations, Seller’s and the Equityholders’ obligations to provide indemnification under **Section 7.1(b)(i)**, in the aggregate, will not exceed an amount equal to 15% of the Purchase Price. Seller’s and the Equityholders’ obligations to provide indemnification under Error! Reference source not found. with respect to Fundamental Representations, in the aggregate, will not exceed an amount equal to the Purchase Price. Purchaser’s obligation to provide indemnification under **Section 7.1(c)(i)** with respect to Purchaser Fundamental Representations, in the aggregate, will not exceed an amount equal to the Purchase Price.

(ii) Seller’s and the Equityholders’ aggregate obligations to provide indemnification pursuant to this **ARTICLE VII** will not exceed an amount equal to the Purchase Price.

(iii) The limitations set forth **Section 7.4(c)(i)** and **Section 7.4(c)(ii)** will not apply to or otherwise affect the Purchaser Indemnified Persons’ or Seller Indemnified Persons’, as applicable, ability to make Claims or recover Damages with respect to Claims for Fraud, for which Seller’s and the Equityholders’ or Purchaser’s, as applicable, obligations to provide indemnification will be the full extent of any such Damages.

(d) Other Recovery. All Damages will be net of any amounts actually recovered by the Purchaser Indemnified Person under insurance policies or other sources of indemnification or recovery with respect to Damages (net of expense actually incurred in connection with such recovery or any related premium adjustments). In no event will any Purchaser Indemnified Person or Seller Indemnified Person be entitled to indemnification for any Damages relating to any matter arising under a provision of this Agreement or any other Related Agreement to the extent that any Purchaser Indemnified Person or Seller Indemnified Person has already recovered for the same Damages pursuant to another provision of this Agreement or any other Related Agreement, including to the extent any such amounts were taken into account in the calculation of the Purchase Price.

(e) Duty to Mitigate Damages. Each Claiming Party shall take and shall cause to be taken all commercially reasonable steps to mitigate all such Losses promptly after becoming aware of any event that could reasonably be expected to give rise to such Losses, including seeking insurance coverage for the maximum amount possible and by the reasonable expenditure of money. The costs and related expenses of any such mitigation effort shall be reimbursable by the Responding Party.

**Section 7.5 Materiality Qualifiers.** For purposes of calculating the amount of Damages arising out of or relating to any inaccuracy in or breach of any representation or warranty in **Section 4.1** or **Section 4.2**, any Materiality Qualifiers in such representation or warranty will be disregarded; *provided* that the Materiality Qualifiers in the defined terms “Material Adverse Effect,” and “Material Contracts,” and in **Section 4.1(d)**, **Section 4.1(e)** and **Section 4.1(o)** will be not be disregarded.

**Section 7.6 Exclusive Remedy; Rights to Specific Performance.**

(a) From and after the Closing, the remedies in this **Section 6.10** will be the sole and exclusive remedies of the Parties with respect to claims for breach of this Agreement, except, in each case, for (i) the remedies of specific performance and injunctive or other equitable relief to the extent permitted in this Agreement, and (ii) Claims based on Indemnification Exclusions, and no Person will have any other entitlement, remedy or recourse, whether in contract, tort or otherwise, it being irrevocably agreed that all of such other remedies, entitlements and recourse are expressly waived and released by the parties to the fullest extent permitted by applicable Law.

(b) The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed by the Parties in accordance with their specific terms or were otherwise breached. Accordingly, each Party will be entitled to seek an injunction or injunctions, without the posting of any bond, to prevent breaches of this Agreement by another Party and to enforce specifically the terms and provisions of this Agreement, in addition to any other remedy to which such Party is entitled at law or in equity, but subject to the express limitations set forth in this **Section 6.10**.

**Section 7.7 Recourse.**

(a) If a Purchaser Indemnitee is entitled to a recovery under this **Section 6.10** then such recovery shall first be made by (i) setting off Damages against amounts otherwise payable by Purchaser to the Seller pursuant to this Agreement, including pursuant to the Promissory Note (the “**Set-off**”), and then (ii) recovery directly from the Seller, first, and the Equityholders, second, which shall be payable by Seller and/or the Equityholders in cash.

(b) The exercise of the right of Set-Off by Purchaser hereunder shall not be exercised unless and until (i) the Representative and Purchaser Indemnitees agree that the Seller or Equityholders are liable for Damages or, (ii) a final, binding, non-appealable order by a court of competent jurisdiction is entered finding the Seller or Equityholders liable for Damages. Notwithstanding the foregoing, the Purchaser may withhold payments otherwise due under this Agreement or the Promissory Note pending the determination of Seller’s liability for Damages. Prior to withholding any amounts due under this Agreement or the Promissory Note, Purchaser shall give written notice of such intention to the Representative. If it is agreed upon by the Representative and Purchaser Indemnitee that the Seller or Equityholders are not liable for Damages, or a court of competent jurisdiction enters a final, binding and non-appealable order finding the Seller or Equityholders are not liable for such Damages, then Purchaser shall pay all amounts withheld and interest accrued thereon during such period of time to the Representative within ten (10) Business Days of such agreement or entry of such order.

(c) If the Purchaser's right of Set-Off is insufficient to cover the entirety of the Damages to which it is entitled to recover under this **Section 6.10**, then the Seller or Equityholders shall pay to the Purchaser Indemnitees the amount for which it is liable under this **Section 6.10** within ten (10) Business Days of the Representative's and Purchaser Indemnitee's agreement as to the Seller's or Equityholder's liability or, if no agreement is reached, upon the entry of a final, binding, non-appealable order by a court of competent jurisdiction.

(d) If and to the extent that any Seller Indemnified Person is entitled to indemnification pursuant to this Agreement (after giving effect to the limitations on indemnification set forth in this **Section 6.10**), any such indemnification claims will be satisfied by payment of such Damages in cash from Purchaser to Representative for further distribution to the Seller Indemnified Persons within ten (10) Business Days after the determination thereof by agreement of the Representative and Purchaser as to Purchaser's liability or, if no agreement is reached, upon the entry of a final, binding, non-appealable order by a court of competent jurisdiction.

**Section 7.8 Knowledge and Investigation.** All representations and warranties of Seller and the Equityholders contained in this Agreement will be deemed material and relied upon by the Purchaser Indemnified Persons or the Seller Indemnified Persons, as applicable, regardless of any knowledge or investigation made by any Purchaser Indemnified Person or Seller Indemnified Person, as applicable, or any of their respective representatives, and none will be waived by any failure to pursue any action or the consummation of the transactions contemplated hereunder.

**Section 7.9 Effect of Indemnification Payments.** Any indemnification payment made pursuant to this **Section 6.10** will be treated as an adjustment to the Purchase Price.

**Section 7.10 No Right of Contribution or Subrogation.** Neither Seller nor any Equityholder will make any claim for contribution or subrogation against any Purchaser Indemnified Person with respect to any indemnity claims arising under or in connection with this Agreement to the extent that any Purchaser Indemnified Person is entitled to indemnification hereunder for such claim, and Seller and the Equityholders hereby waive any such right of contribution and subrogation from or against any Purchaser Indemnified Person that Seller or any Equityholder, as applicable, has or may have in the future.

**Section 7.11 Effect of Officer's Certificates.** For the avoidance of doubt, any written certification by a Person (or any officer thereof) of the accuracy of any representation or warranty (or of any other matter), including the Seller Closing Certificate, any Equityholder Closing Certificate, the Purchaser Closing Certificate and any other certification contemplated in **Section 3.2**, will be deemed to constitute the making or re-making of such representation or warranty by such Person (or a representation or warranty regarding such other matter) at the time of such certification in the manner and to the extent stated in such certification, including for purposes of **Section 7.1(b)** and **Section 7.1(c)**.

**Section 7.12 References to "Indemnification Obligations".** For purposes of this **Section 6.10** and any other provision of this Agreement, any reference to the "indemnification obligations" of Seller or the Equityholders or Purchaser under this **Section 6.10** or words of like import, will be deemed to refer to all of the obligations of Seller and the Equityholders or Purchaser, as applicable under **Section 7.1(b)** or **Section 7.1(c)**, as applicable, including the obligations to indemnify, defend, reimburse, hold harmless and pay.

**ARTICLE VIII.**  
**TERMINATION OF AGREEMENT**

**Section 8.1 Termination Generally.** This Agreement may be terminated at any time prior to the Closing as follows:

(a) The MMT Parties and Seller, on behalf of the Equityholders, may terminate this Agreement by mutual written consent;

(b) either the MMT Parties or Seller (on behalf of the Equityholders) may terminate this Agreement by giving written notice to the other Party if there shall be any applicable Law (except to the extent that the U.S. federal law conflicts with applicable U.S. state and local laws) that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or any Governmental Authority shall have issued an Order permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement and such Order shall become final and non-appealable;

(c) the MMT Parties may terminate this Agreement by giving written notice to Seller: (i) in the event that Seller or any Equityholder breaches any representation, warranty, covenant, obligation or agreement contained in this Agreement that would cause a condition set forth in **Section 3.2(a)** or **Section 3.2(b)** not to be satisfied, and such breach is incapable of being cured prior to the earlier of (A) the Business Day prior to the Outside Date and (B) the date that is thirty (30) days from the date that Seller is notified in writing by an MMT Party of such breach or failure to perform; or (ii) if the Closing has not occurred on or 90 days following the date hereof (the “**Outside Date**”) (unless the failure results primarily from (A) an unforeseen delay in obtaining a necessary approval from a Governmental Authority that the Parties are actively working to address and is capable of being fully and adequately addressed within 20 Business Days of the Outside Date or (B) an MMT Party breaching any representation, warranty, covenant, obligation or agreement contained in this Agreement); and

(d) Seller or the Representative, on his or its own behalf and on behalf of the Equityholders, may terminate this Agreement by giving written notice to the MMT Parties: (i) in the event that an MMT Party breaches any representation, warranty, covenant, obligation or agreement contained in this Agreement that would cause a condition set forth in **Section 3.3(a)** or **Section 3.3(b)** not to be satisfied, and such breach is incapable of being cured prior to the earlier of (A) the Business Day prior to the Outside Date and (B) the date that is thirty (30) days from the date that the MMT Parties are notified in writing by the Representative of such breach or failure to perform; or (ii) if the Closing has not occurred on or before the Outside Date (unless the failure results primarily from (A) an unforeseen delay in obtaining a necessary approval from a Governmental Authority that the Parties are actively working to address and is capable of being fully and adequately addressed within twenty Business Days of the Outside Date or (B) Seller or any Equityholder breaching any representation, warranty, covenant or agreement contained in this Agreement).

**Section 8.2 Effect of Termination.** In the event of termination of this Agreement pursuant to **Section 8.1**, this Agreement will forthwith become void and there will be no liability or obligation on the part of the MMT Parties, Seller or the Equityholders, or their respective officers, directors or stockholders, if applicable; *provided*, that, the provisions of **ARTICLE IX** (Miscellaneous) and this **Section 8.2** will remain in full force and effect and survive any termination of this Agreement pursuant to the terms of this **ARTICLE VIII** and *provided, further* that the termination of this Agreement pursuant to **Section 8.1** will not be deemed to release any Party from any liability for breaches of any representation, warranty, covenant, obligation or agreement contained in this Agreement (nor a waiver of any right in connection therewith) and will be in addition to any other right or remedy a Party has under this Agreement or otherwise. The exercise of a right of termination of this Agreement is not an election of remedies.

**ARTICLE IX.  
MISCELLANEOUS**

**Section 9.1 Bulk Sales.** If the provisions of Article 6 of the Uniform Commercial Code have not been repealed in each jurisdiction where any of the Purchased Assets are located, Seller and Purchaser hereby waive compliance with the provisions of Article 6 of the Uniform Commercial Code in each such jurisdiction that has not repealed such article and where any of the Purchased Assets are located in connection with the transactions contemplated hereunder. Seller will be responsible for all Liabilities arising out of the Parties' waiver of such compliance.

**Section 9.2 Press Releases and Public Announcements.** Except as otherwise required by Law, prior to Closing, no Party will, and will not permit any of their respective Affiliates, representatives or advisors to, issue or cause the publication of any press release or make any other public announcement, including any tombstone advertisements or any announcements to their respective employees, customers or suppliers or the employees, customers or suppliers of Seller or the Business with respect to the transactions contemplated by this Agreement and the Related Agreements without the prior written consent of Parent, in the case of Seller, the Equityholders or the Representative, or the Representative in the case of the MMT Parties. Notwithstanding anything in this Agreement to the contrary, prior to Closing, the MMT Parties may make any public announcement that is required by applicable Law; *provided* that it provides the Representative with a reasonable opportunity to review any such announcement in advance of its publication. Subject to the foregoing, the Seller and Equityholders acknowledge that Parent shall disclose this transaction via an 8-K filing with the SEC, along with a simultaneous press release, within four Business Days of the date hereof.

**SCHWAZZE SIGNS DEFINITIVE DOCUMENTS  
TO ACQUIRE ASSETS OF SUCELLUS, MANAGE ASSETS OF EVEREST,  
A PROMINENT NEW MEXICO CANNABIS OPERATOR**

**Announced Acquisition to Increase Schwazze's New Mexico Retail Store Count to 32**

**Transaction Provides Expanded Coverage Throughout State**

**DENVER, CO – April 25, 2023** – Medicine Man Technologies, Inc., operating as **Schwazze**, (OTCQX: SHWZ) (NEO: SHWZ) ("**Schwazze**" or the "**Company**"), announced that it has signed definitive documents to acquire certain assets of Sucellus, LLC, pursuant to which the Company will manage Everest Apothecary, Inc., a New Mexico not-for-profit corporation ("**Everest**"). The proposed transaction includes retail dispensaries, cultivation, and manufacturing facilities.

The consideration for the proposed acquisition is US\$38M and will be paid in a combination of cash, a four-year seller note and Company common stock. The acquisition is expected to close in the second quarter of 2023, upon receipt of approval from the New Mexico Regulation and Licensing Department.

Established in 2016, Everest is a New-Mexico-based licensed medical and recreational cannabis provider that consists of 14 dispensaries, one cultivation facility and one manufacturing plant. The dispensaries are located in Albuquerque, Santa Fe, Las Cruces, Los Lunas, Sunland Park, Belen, and Texico. Everest's approximately 16,000 square feet of cultivation and 8,500 square foot manufacturing facility are located in Albuquerque.

This acquisition increases the Company's retail consumer base and furthers Schwazze's growth efforts in the New Mexico market, which upon transaction closing will bring the Company's total number of New Mexico dispensaries to 32 with over 450 Schwazze employees.

"This planned acquisition shows our commitment to the Company's super-regional cannabis growth strategy to go deep in select markets," said Nirup Krishnamurthy, President of Schwazze. "The Everest brand is a perfect complement to our existing retail brand in New Mexico, R. Greenleaf. Each serves a unique demographic, and we will continue to operate both retail banners in the state. By utilizing Schwazze's operating playbook, we fully intend to support the Everest team and its customers by delivering outstanding service, great selection and quality products throughout the state of New Mexico."

Since April 2020, Schwazze has acquired, opened, or announced the planned acquisition of 60 cannabis retail dispensaries (battered as Star Buds, Emerald Fields, R. Greenleaf, Standing Akimbo, and Everest) as well as eight cultivation facilities and three manufacturing plants across Colorado and New Mexico. In May 2021, Schwazze announced its Biosciences division, and in August 2021, it commenced home delivery services in Colorado.
